Jerry,

I know we haven't discussed this yet, I know you went to a meeting last week. Here is a clip Rupert found online. Very interesting about the town of Dimock, PA.

Dimock, PA is in Susquehanna County, just south of Montrose, the County seat. So its in my area. If you and Dennis feel there is some need for Removal to take a look at this issue, I am happy to take it on. Rupert has offered help, if needed.

I will be checking with PADEP (Augie) and the County to see what their needs are too. Let me know your thoughts. I will call you next week.

Rich
